

Producer Training Instructions

Annuity Product Training

To complete your Product Specific Training (PST), please go to: www.reged.com/trainingplatform

- If you are not an active user of the site you will be required to complete a new registration.
- After login, to complete training, select the button that says Producer Status from the buttons located on the left hand side.
- From the list, select product specific training and begin the course.*
- Once you have completed the training, Delaware Life will be automatically notified by RegEd, you do not need to send us any of the information. We do advise you to keep a copy of your completed training for your own personal records.
- You may write business effective the day training is complete.

* If no product specific training is assigned, the following may be done to pull in the training manually.

1. Click on the "Enter Product Code" button from the menu on the left hand side of the screen.
2. On the next screen enter the code for the applicable product and "Submit". The training course should display under *Carrier-Specific Product Training*.
