If owner is different from annuitant, a surrender charge is imposed if owner dies during surrender period. For tax advice contact your attorney or tax advisor.

Guarantees contingent on maintaining minimum contract values. Benefits are only generally described here. Product and rider availability may vary by state. Please read the policy for exact details on benefits and exclusions. If there is a discrepancy between the product as it is generally described here and the policy or rider issued to you, the provisions of the policy or rider will prevail.

\*Nursing Home & Terminal Illness waiver not available in California.

\*\*The MVA is a market value adjustment to the amount withdrawn, which could be negative or positive for the policyholder, based on the difference between the treasury rates at the time of withdrawal and at issue. Even with an MVA, in no event will the cash value of the policy be less than the Guaranteed Minimum Cash Surrender Value (87.5% of the single premium for the policy, minus withdrawals/surrenders, accumulated at the Basic Interest Rate of 3.00%, but no lower than 1.00% after surrender charge period has passed).

Not FDIC insured • Not bank guaranteed • Not a deposit • Not insured by any federal agency • Charges may apply • May go down in value
